## EMERGENCY SERVICES

We have gathered Information on our 911 service from Ryan Kelly, District 4 supervisor and from our attendance at Bombay Beach and Niland District meetings. Captain Louie Knight is the only paid volunteer first responder working for the Niland Fire District Board and responds from the Bombay Station. Ryan Kelly advised us that the service level will remain the same as it is today when the Local Agency Formation Commission (LAFCO) takes over. The County is studying how services can be enhanced in the District.

All staff assigned to the Niland Fire Dept. are fully qualified Emergency Medical Technicians (EMTs) and some are advanced EMT's. There is also a paramedic assigned to each shift. Captain Louie Knight is a first responder.

Niland Fire Dept is a 24/7 department. Both Niland and Bombay Fire Departments are dispatched to FOY after receiving a 911 call.

When an ambulance is called to FOY it is either dispatched from Calipatria or Brawley depending on availability.

This information was prepared by Golden State Manufactured-Home Owners League (GSMOL) FOY Chapter 1156.

GSMOL enhances the quality of life for all guests of FOY through advocacy, information and service.

## TAKE A HIKE

Hikes are scheduled for Wednesday and Saturday. **Wednesday** hikes are moderate to arduous with steep climbs, often in canyons which usually include dry waterfalls. The most difficult have ladders for ascending/descending, but not all of them do. Tight squeezes and dark caves are possible in some of the hikes so find out what's in store if you aren't comfortable with that.

**Saturday** hikes are strenuous and not for the faint of heart. Steep climbs on rocky and loose terrain including bush whacking and climbing/descending dry waterfalls are the rule on all hikes. All hikes are 5 to 7 hours and leave from the upper horseshoe pits at 8 am sharp. Bring a snack, lunch and lots of water. It is recommended that you wear good hiking boots and have a walking stick/poles for balance and footing. Wednesday hikes are accessed by vehicle so bring \$7 to help defray driving costs.

Nobody cares if you can't dance so just come. What have you got to lose for five bucks? Great music and good exercise.

Coming up in February we start with Art Martin D.J'ing on Feb. 6<sup>th</sup> followed by The Phunky Blue Jeans Band on the 13<sup>th</sup> and then on the 20<sup>th</sup> a band called the Senior Memories will make their debut followed by our own Richard Godfrey singing some of your favorite songs on the 27<sup>th</sup>. Typically, the dance cost is \$5.00 per person. However; the dance on the 13<sup>th</sup> is \$10.00 (this is a full band of performers) and the one on the 20<sup>th</sup> is free admission.

## LIBRARY NEWS

What a great winter to cuddle up with a good book! The FOY library certainly has plenty to choose from. Our library patrons have been very generous with donations of many best sellers this season.

The Fountain of Youth is also winter home to at least four authors.

"All the Days of My life", published in 2004, is an autobiography written by Robert L. McLaren. It is a testament to his faith and love of family and community.

"Fragrance and Thorns" written in 2006 by Rosella Beninga chronicles Rosie's first 80 years. Rosie donated a copy of her book to the library to commemorate her 30 happy years at the Fountain of Youth.

"Divine Appointments" published in 2010 by Edna Adam-Simpson is Edna's moving biography on how God used one woman to affect many.

"Damn, I Shot My Horse", published in 2015, is a coming of age story about Fred Hauptmann who recounts his adventures growing up in the desert.

. Just a reminder that our FOY library is a lending library and not a book exchange. New posters outlining the library rules have been posted in the library. You may borrow up to 2 books per day, and must return them before you borrow any others. All books and DVD's must be returned to the library before you leave the park.
