

## Coming Soon To California's Best Kept Secret... You!

Dear Fountain Friends,

We hope your summer has been nothing short of wonderful so far!

In celebration of our first 50 years, we're looking to create the most mind-blowing season in Fountain Of Youth history. With all new vacation villas, private individual mineral baths and a freshly remodeled massage therapy center, come prepared to soak up a blissful winter experience.

*(A glimpse of the new Vacation Villas!)*

As a family owned and operated park, we've been reminiscing about the past 50 years and want to take a moment to acknowledge the most fulfilling part of **WHY** we do what we do... **YOU!** At the risk of sounding hallmark-y, we wouldn't be here without your love for the FOY, and it means a lot to us to mean a lot to you. Please bring your pictures, stories and memories to share at our Anniversary party.

Join us this fall and winter to ring in a new era of friends, family and youthful fun. We look forward to building on the decades of stories, epics of adventures, and priceless times in the (dare we say) majestic grounds and mineral waters that make Fountain of Youth one of a kind.

Reminder: On September 1, 2015 we will begin accepting reservations for 1 month or more for arrivals October 2015 thru March 2016.

Sincerely,  
*Jolene & Staff*

p.s. We take immense pride in treating guests like long-lost friends. This season, treat one (or **more**) of your friends to a trip they'll never forget. As a token of our gratitude, you'll receive [\\$20 Freddy Bucks for every friend you refer](#). (Good at the Café, Mercantile & for Special Event tickets.)

Can't wait? Neither can we!  
Call us today to reserve your spot
